

REMARKS

Continued examination of this application is respectfully requested. The Patent Office has initially rejected some of the proposed drawings as they include graph lines which may not be part of acceptable drawings. Applicant has submitted amended drawings which have removed the graph lines and thus believes that the present application to be acceptable for continued examination.

Applicant is mailing this amendment after expiration of the three month response period but within the third month's extension of time permitted by 37 C.F.R. § 1.136 and accompanied by the fee set forth in 37 C.F.R. § 1.17(a). This application is thus believed to be in condition for allowance of all claims remaining herein, and such action is respectfully requested.

Respectfully submitted,
